

BIDEN'S FIRST YEAR OF COMPLETE AND UTTER FAILURES

He left the BORDER WALL Unfinished.

He has actually BLOCKED ALL border wall construction, by eliminating all funding for it.

He even BLOCKED the GATES from receiving motors so they could OPERATE.

He terminated Trump's remain in Mexico policy.

He terminated the "seek asylum only from an embassy or foreign nation" policy.

He opened our southern border TO ALL.

He invited foreigners to pour into our country – SO THEY HAVE

He thus orchestrated an ILLEGAL INVASION of over 2 million alien entries in 1 year
(5 million in two-an-a-half years now)

– 15% of those in year 1 WERE COVID infected – ALL IGNORED BY Joe.

He never effectively or comprehensively tested the immigrants entering the U.S. at the border.

He never ordered the quarantining of infected aliens, or uninfected (to find out if...).

AND Aliens entering the country are THE ONE GROUP of persons that the Federal gov does
actually control under the Constitution.

He never ordered the vaccination of aliens at the border – instead tried to make citizens DO IT in
the fifty states.

He actually PAID TO TRANSPORT illegal aliens WITH COVID all over the country BY AIR,

He allowed thousands of criminals to pour into our country over that open border.

He allowed tons of poisonous Fentanyl from China to be smuggled in over that open border.

He allowed child smuggling operations to operate with IMPUNITY & ACTUAL FAVOR

He tried to suspend ALL deportations, weakening immigration enforcement.

He still refuses to this day to deport even all of the violent alien criminals.

He, and the Democrats, CAUSED THE ECONOMIC COLLAPSE by unnecessarily completely
closing the economies of the BIG LIBERAL (Dem) states like: CA, NY, IL, NJ, CT, MA,
MD, CO, WA, MI, MN, PA – not out of necessity, but rather a desire to take away from
Trump the argument/claim of the creating the best economy we've had, for everyone, in over
20 years

On DAY 1 - he arbitrarily and capriciously cancelled the Keystone pipeline.

He terminated federal oil leases, intentionally shutting down oil production in America.

He has had his Departments slow-walk the permits for oil & gas drilling and exploration

He shut down GAS production by re-imposing the repealed regulations that Trump had removed
to stimulate and unleash American GAS production by FRACKING.

He has COMPLETELY DESTROYED the American energy independence created by Trump.

He crippled domestic American energy production & drove the cost of energy THRU THE ROOF

As a result, he drove the price of gas up 100%, to over \$4.20 a gallon ALL OVER America

He begs from, and is working with, our ENEMIES, *i.e.*: Russia, Iran & Venezuela, for oil
INSTEAD OF MEETING WITH AMERICAN OIL COMPANIES to use ours

He triggered massive inflation by printing & spending TRILLIONS of more dollars

Inflation is running (admittedly) at 7.5% (really 10%, and more REALLY 20% by CPI)

He has caused the INCREASED WAGES of working Americans to LOSE THEIR PURCHASING
POWER by falling below the INFLATION RATE, thus making ALL Americans poorer.

He tried to unconstitutionally mandate the vaccination of ALL workers, through OSHA

He had more COVID deaths in 2021 than in all of 2020 under Trump.

BIDEN & the Dems CLOSED the SCHOOLS, MASKED THE KIDS, spent BILLIONS of \$\$ on
useless PLASTIC DIVIDERS DESPITE the statistically small RISK to children.

BIDEN kowtowed to the TEACHERS' UNION and let them seize control of the schools.
 While spending BILLIONS on TEACHERS WHO WEREN'T EVEN IN SCHOOL TEACHING
 He never ordered any anti-viral COVID treatments or therapies to be developed.
 He never ordered any monoclonal antibody treatments or therapies to be developed
 In fact he helped SPREAD the DISINFORMATION about those types of treatments, including
 Hydroxychloroquine, Ivermectin, and Remdesivir, at least two of which turn out to be
 effective in a comprehensive COVID treatment plan
 He slow-walked the permitting of those treatments when privately developed.
 He fired the unvaccinated FRONT-LINE workers who had SAVED THE NATION
 by working thru COVID for 2 years WHILE NO VACCINATIONS were available &
 MANY of whom HAD ACQUIRED NATURAL IMMUNITY by RECOVERY
 He & his CDC failed to admit and recognize the known science of acquired immunity associated
 with viral infections and recoveries
 He MADE WORSE the supply-chain CRISIS by unnecessarily FIRING the IMMUNE workers
 who refused vaccinations
 He ordered the DOJ to spy on patriotic parents who complained about the CRT & Gender
 dysmorphia curriculums at local state school board meetings - open to the public for just that
 purpose.
 He is the weakest President in modern history with respect to Foreign diplomacy.
 He disgraced our nation with his humiliating surrender in Afghanistan, &
 He LOST the lives of 13 service-members (and others) BY THAT INCOMPETENCE.
 His Afghanistan withdrawal WAS A COMPLETE DEBACLE, and
 was the VERY DEFINITION of POLITICAL AND MILITARY INCOMPETENCE
 He LEFT \$90 BILLION in WEAPONS, AMMO, EQUIP, and vehicles IN AFGHANISTAN.
 - LEAVING IT ALL TO THE TALIBAN, AL QUAEDA, and ISIS(-k)
 - AFTER 20 YEARS OF costs & expenses to create a U.S. Military stabilization of a civilized
 Afghan gov't, - Biden GAVE IT ALL AWAY to the terrorists.
 - He put the 911 TERRORISTS IN CHARGE OF AFGHANISTAN
 He Has CAUSED, by these actions: HUNGER, STARVATION, and FAMINE
 FOR 20 MILLION AFGHANS = still ongoing and NOT reported
 Afghan women have been sent back to the stone-age, - no school, no education, no jobs, no
 transportation, no freedom, no life – ALL Completely DESTROYED by ILLEGITIMATE
 JOE in one month.
 Joe Biden is a COWARD. He is afraid of reporters, he is afraid questions, he is afraid the
 Taliban, ISIS, AL Qaeda, Russia, Iran, Mexico and China. He's afraid of Democrats for
 God's sake
i.e.: the AOC liberals driving his policies and decisions.
 He is a COWARD, COWARD, COWARD.
 The LIBERAL Democrats ELECTED A COWARD,
 COWARDS DON'T LEAD, they FOLLOW,
 and then GET USED LIKE A WHORE - & that's Illegitimate Joe.
 Biden's \$1.9 trillion RELIEF BILL was NOT a "relief" bill at all.
 But instead, IT was a BOONDOGGLE, because:

- Only 9% will be spent on directly fighting the coronavirus.
- Only 1 % will be spent on vaccines.
- Only 0.3% will be spent this fiscal year on K-12 schools.

- Even Democrat Rep. Adriano Espaillat, the 8th most liberal member of the House and a member of the Congressional Progressive Caucus, conceded that he's "not comfortable" with the pet project spending, and called it "embarrassing."

Biden's \$1 TRILLION INFRASTRUCTURE BILL only spends 9% on infrastructure.

The REST is really SOCIAL ENGINEERING PROGRAMS that are ONLY MASQUERADING as "infrastructure"

Biden and the Democrats sent nearly \$2 billion dollars in stimulus checks to federal prisoners, including violent felons like the Boston Marathon Bomber.

Democrats blocked an amendment to restrict the stimulus payments to only eligible (needy) persons when ramming through their partisan legislation.

In fact, hundreds of billions of the Democrats' "relief" will not be spent for up to a decade from now.

BIDEN & the democrat party supports the use of Critical Race Theory and "vague Gender theory" in public schools, from kindergarten on, in place of REAL EDUCATION, *i.e.*: Reading, wRiting, aRithmetic (- the 3 R's)

He failed spectacularly to deter Russia's outrageous invasion of Ukraine.

He failed to react to the Russian military build-up on the Ukrainian border-for a MONTH.

He MYSOGYNISTICALLY put adult males into female high-school athletics (girls)

He MYSOGYNISTICALLY put adult males into female college athletic competitions.

He DOESN'T RECOGNIZE the BIOLOGICAL DIFFERENCE between a MAN & a WOMAN (Male & Female), WHICH IS ALSO INSANE (and SENILE).

He REFUSES to OPPOSE the RAMPANT CRIME WAVES NOW occurring in many Democrat cities.

Biden & the Democrats DEFUNDED the police forces in Democrat cities all over the country.

They fired police officers. They cut police budgets. They eliminated the requirement to post BAIL in many violent offenses.

AND they STOP PROSECUTING CRIMES, including THEFT, ASSAULT, LOOTING, SMASH & GRAB & RUN, SUBWAY ASSAULTS, etc.

Which again, they are now ALLOWING TO OCCUR in Democrat run cities all over the country.

Then, HE and the Democrats DEMAND THAT BILLIONS OF DOLLARS BE ALLOCATED TO RE-BUILD the NEIGHBORHOODS AND BUSINESSES THAT THE BLM RIOTERS & INSURRECTIONISTS JUST LOOTED, BURNED DOWN, DESTROYED, & DROVE OUT.

BIDEN LIES TO AMERICA EVERY TIME HE OPENS HIS MOUTH

HE IS CROOKED AND CORRUPT AND IT IS NOW ADMITTED THAT HUNTER'S LAPTOP IS REAL EVIDENCE OF CRIMES COMMITTED BY THE BIDEN FAMILY CRIME SYNDICATE

Biden has been running the Biden Family Crime Syndicate for 30 years, selling access to the US gov't and its offices and peddling influence by soliciting and taking BRIBES from multiple FOREIGN NATIONS, Like the Ukraine, Kazakhstan, Russia and China, thru Hunter's "U.S> gov't FOR SALE" operations.

HE IS A SENILE, DEMENTIA RIDDEN, CORRUPT, INCOMPETENT, RACIST, LYING, ORWELLIAN PIG

And NOW he and his entire Administration are TELLING YOU TO go BUY AN ELECTRIC VEHICLE, - THAT DOESN'T EXIST TO BUY NOW, BECAUSE OF THE SUPPLY CHAIN CRISIS THE DEMS CREATED WITH UNNECESSARY lockdowns – CREATING months long waitlist/backlogs for an EV.

BIDEN COORDINATED WITH BIG TECH; FIRST - TO SILENCE FREE SPEECH BY ATTACKING and BLOCKING ANY ATTEMPT BY ANYONE TO ENGAGE IN A SCIENTIFIC DEBATE OR DISCUSSION about the origins of the COVID-19 virus, and the effectiveness of the mRNA vaccines.

AND then with the FBI to stop the dissemination of the Hunter Biden Laptop story and suppress the criminal evidence found therein against both men, Joe & Hunter

BIDEN WANTS the Iran nuclear TREATY TO BE RE-INSTATED, to ARM IRAN with the BOMB at the end of the treaty;

- Originally relying on RUSSIA to HELP with negotiations with the Iranians (while simultaneously waging a proxy war against them in Ukraine; - while asking them for help in these IRAN negotiations – IT'S completely INSANE)

And now, Biden is teetering on the edge of actually DESTROYING the U.S. dollar as a paper currency and as the worlds' RESERVE CURRENCY, - by so PISSING OFF the Saudis that they are now engaged with China in talks about using the YUAN instead of DOLLARS to pay for Chinese oil purchases. If foreign governments DON'T ALL HOLD DOLLARS AS RESERVE FUNDING to BUY OIL from OPEC, - well, if you think INFLATION IS BAD NOW, just you WAIT UNTIL you see what happens when THEY ALL START DUMPING THE DOLLARS THEY NOW HOLD, because of the deterioration and collapse of our historically strong relationship with Saudi Arabia since 1972 – which Biden and the democrats are DESTROYING by "going GREEN" and actually siding with the Iranian Shiites, instead of the Saudi Sunnis.

BIDEN HAS LIED, Lied, Lied, Lied - He DID NOT EVER EVEN TRY TO UNITE AMERICA AFTER BEING ELECTED (as PROMISED in campaign), BUT INSTEAD HAS BEEN MORE DEEPLY DIVISIVE than ANY OTHER PRESIDENT in History (except maybe Lincoln) and HAS COMPLETELY DIVIDED the COUNTRY right down the middle – 50-50 with his unconstitutional, despotic and tyrannical, MANDATES and Executive Orders trying to finish Obama's fundamental *transformation* of America.

THE ILLEGITIMATE PRESIDENT IS A FRAUD, HE IS ANTI-AMERICAN, ANTI-AMERICA, ANTI-FREEDOM, ANTI-LIBERTY, ANTI-PROSPERITY, ANTI-CONSTITUTION. THE PRESIDENT IS A POLITICAL FRAUD & TRAITOR to America.

He has “SOLD YOU OUT”, is now “SELLING YOU DOWN THE RIVER” to China – who has paid his family over \$30 million dollars.

This is TREASON TREASON TREASON TREASON TREASON!

BIDEN’S SECOND YEAR OF ANARCHY, CHAOS, & WAR

FIRST, Biden has led America straight into an economic recession, which may now easily turn into another actual depression, - because he has no idea at all what is really happening, here or anywhere else in the world.

Inflation is running between 12% and 18%, not the 6.5% his administration claims.

They are lying - food, gasoline, natural gas, utilities, etc. – ALL up more than 14%, some with increases as high as 40%

America’s energy independence has been destroyed by Joe Biden. We are now a net importer of energy and are no longer a net EXPORTER as we were under Trump.

Millions of **fake** asylum claims have been processed at the border by ICE & CBE to admit by “processing” 5.5 million illegal aliens in the last 2½ years.

That will result in an invasion of over 12 million illegal aliens in just the four years that “Traitor Joe” is in office.

This invasion has flooded and overwhelmed the border states’ social service systems - for shelter, food, medical care, transportation, crime, vandalism, property damage, legal hearings ... you name it – they’re **overwhelmed with problems caused by illegal alien foreigners**.

Biden has ICE & CBP playing Uber and Air-America for the cartel’s human smugglers; - transporting their smuggled human cargo (immigrants) by bus and by air, all over America, at night, in secret, and then registering them to vote in local NY or CA or CO state elections.

Without a care in the world, they do this. With no concern or regard at all for the fact that 10% - 15% of the 5.5 million alien invaders were COVID positive at entry!

Biden tried to unconstitutionally usurp the power of the purse from Congress by promising to forgive \$10,000 of school loan debt for 10 – 15 million young people – which while being completely unconstitutional, this fraudulent promise was effectively used to “buy” the 2022 mid-term election with a completely fraudulent “offering” of an outright bribe that motivated 16 million young to vote Democrat, ON A FALSE and ILLEGAL PRETENSE!

16 million young socialist students voted “Democrat” specifically because of this LIE, and it is a LIE because the courts have stayed the illegal give-away and SCOTUS, of course, is going to kill it completely. So they’re never getting a dime.

This is the same unconstitutional strategy being used now in California by the socialist Democrats with respect to promising reparations to all blacks in California; - which the

Democrats know WILL NEVER BE PAID to anyone, but by which FALSE promise it is believed they can make the entire black population of California, single-issue voters, based on this LIE that black men and women will ALL each be given 5 million dollars if they will only vote for Joe & the Democrats. Obviously, the Democrats clearly think the blacks are ALL JUST that STUPID. And unfortunately so far, they have been RIGHT.

Crime is rampant in nearly every democrat run city in the country. Criminals go un-pursued, un-arrested, un-indicted (unless you're Trump), un-charged, and un-prosecuted, - with no bail required. Why should there be a bail required – when there isn't going to be any trial ...!

The tons of smuggled fentanyl is killing more Americans than ever, over 100,000 a year, – and the democrats are letting the smugglers/distributors walk out of court without posting bail, – never to be seen again – but FREED to go back to smuggling fentanyl into America for profit.

A Chinese SPY balloon floated by overhead, ALL across America, unmolested for a week, recording everything it could over our military base installations and transmitting all the captured data, to China, by satellite, every night. The Biden administration lied about stopping that.

Biden had his DOJ/FBI raid his political opponent's home (Mara Lago) over a presidential library records civil dispute in a civil matter – that was escalated to a criminal assault/raid by an improperly weaponized FBI, instead of properly going to the judge in the civil matter to seek enforcement of the disputed subpoena, by order of the court. But no ... the Dems have to “GET TRUMP” instead of Cartels, gangs, & other truly violent and dangerous criminals at large, because, NOW, **Trump is the JEW**, and the Democrats are the new **GLAZI/NAZI** Party that **MUST GET THE JEWS**.

So we've got a special counsel to investigate Trump. And a special counsel to investigate Biden, supposedly. Which one do you think will be indicted by the Biden DOJ?

Meanwhile, Biden illegally possessed several “troves” of classified docs himself, in multiple **unsecured** locations, at his beach house in Delaware, in the garage next to the ‘vette, in Chinatown (DC), in the Penn business center (Phil.), - basically all over the East coast; but no FBI raids occurred at any of those places. Because it's a WEAPONIZED FBI/DOJ, NOT against criminals, BUT AGAINST republicans, conservatives, constitutionalists & ordinary Americans of fundamental Christian beliefs and faith – in GOD, instead of a socialist government that does NOT represent, but rather tries to RULE by DICTUM .

Biden & his cabinet have further weaponized the FBI, the IRS, and the DOJ; - against parents, against Christians, Catholics, pro life organizations, the Jan 6th defendants, & of course, Donald Trump & the MAGA supporters. Because “Make America Great Again” is obviously EVIL Why do the Democrats absolutely HATE American EXCEPTIONALISM.

The Democrats are clearly waging a Culture War on the American People and the fundamental values of God, Christians, America, & science; - CRT, gender dysphoria and dysmorphia, natural immunity, freedom, 2nd Amendment, and now the concept of FREE SPEECH under the First Amendment.

Biden is promoting an enabling a transgender invasion of protected female spaces – it's **misogyny** of the highest order to have men competing in female high-school & college competitions, - winning the state-titles, the scholarships, the national championships in both high-school and college, and the world championships internationally, and then the Olympic gold medals. Biological women will be completely removed from sports competitions at every level.

Biden is now trying to usurp the power of Congress AGAIN, and rewrite the law under Title IX by executive Order, which Title was specifically enacted to protect BIOLOGICALLY FEMALE athletes. Biden wants to SUBVERT and PERVERT the application of that law to use it instead to protect? (FAVOR) male athletes who can't successfully compete against other men, so they seek to do so against the physically inferior women. This is a violation of the law as Title IX protects FEMALES and was NEVER INTENDED by Congress to ALLOW MALES to invade the female space based on psychology, rather than BIOLOGY ("xx" chromosome pairs).

There is a real double standard of law and justice in America now, in law, in public, in operation, in the courts, - and specifically, one for Donald Trump, conservatives, constitutionalists, MAGA supporters, the church, & Republicans; - and an **entirely different standard** for the liberal, progressive, LGBTQ, democrats and ENTIRE BIDEN Family Crime Syndicate participants – both foreign and domestic. One standard for the straight and conventional and another, different standard entirely for the liberal, progressive, and gay. One for white and another for black. One for Man another for Women. One for the Rich, another for the Poor, - with **only a few exceptions**.

Biden has divided America more than ever, and has not united us at all

After 50 years of currency domination through the Saudi & OPEC supported petro-dollar, Biden has brought us to the edge of the actual complete **destruction** of that petro-dollar by so "pissing off" the Saudis with this "green" anti-petroleum nonsense and agenda that the Saudis have now entered into new agreements to begin selling their oil using other currencies in addition to the dollar, which previously was the exclusive form of payment accepted. But, surprise, while we go "green" and move away from oil, the Saudis on the other hand, are sticking with petroleum, SURPRISE. And so are Brazil, Russia, India, China, South Africa (the BRICS) & 30 other nations. Biden is a STUPID, ARROGANT fool. He is destroying America and his treason and incompetence have now created a competing world "currency" that will be used by our enemies and against America & our "dollar" for as long as it exists.

So, because of Joe's stupidity, senility, incompetence, and oblivion, we are about to witness the de-dollarization of the BRICS-Africa, OPEC & 30 other countries. We are watching what could very well possibly turn into the destruction of the dollar as the world's reserve currency and the hyper-inflation of the dollar. It all will amount to the loss by America of the world's economic & political leadership position, to communist China.

Biden's "sanctions" on Russia **failed** – it is **not** the "pariah" state, now, on the world stage that Biden had hoped to make it. It now has new partner nations (BRICS & some 30 others) to assist it in its WAR through the purchase of petroleum and the resulting economic support those revenues provide. Biden has **not** created a Russian "pariah" state, he has created a new

axis of evil that will work against, and fight against, America for as long as it exists; against American power and against the Christian and American values that have made America Great for 235 years, and the worldwide global leader and premier military power for the last 100. Illegitimate Joe Biden is a COWARD and a TRAITOR. He is working for the creation of a global one-world government by the destruction of America as both a military and economic power.

And the Afghanistan disaster rolls on – the Taliban are in charge there now, under Biden we have lost 20 years of investment in a stable gov't in Afghanistan. The Taliban are creating starvation, impoverishment, and deprivation for everyone there; - and especially for the Afghan females – no school, no jobs, no transportation, no rights, no food, just subservience - or death. Good job Joe; - you're an IDIOT.

War in the Ukraine, in the current form, could easily escalate and lead to WWII – but slowly but surely ever-enlarging the conflict, - that was originally started by Biden's COWARDICE and incompetence. Biden (the coward) was “afraid” to “provoke Putin”, - so he stupidly and foolishly did not help the Ukrainians immediately oppose the Russian troop build-up on the border when it began. The fool.

He told us last year that “if we send tanks and planes – that's WWII man”. So now he's sending the Abrahams battle tanks and soon, no doubt, the MIG planes offered by Poland.

And lest we forget, the Jan 6th **FRAUD**, the 100% fraudulent **political persecution** trials rolls on for another year; - and they want another billion dollars to try another 1,000 defendants, many of whom have been kept illegally and unconstitutionally in jail for over two years on misdemeanor trespassing charges without bail; – all resulting from the FBI-entrapment used in a Pelosi-arranged set-up of Trump supporters and others present that day, that was conducted and carried out “on the street” and “at the Capitol” by FBI “plants” in the crowd, including the unindicted Ray Epps and others.

Meanwhile the recent release by the new Republican Congressional leader, Kevin McCarthy, of some 40,000 hours of previously unreleased video footage of the Capitol and the capitol city streets that day, exposes a different truth that “insurrection”. That video that had previously been kept by Nancy Pelosi hidden and secreted from both the American people, and apparently all of the Jan 6 defendants and their trial attorneys, in violation of Rule, law, and Constitution. This is **clear evidence** of the **double -standard at law** being used by the Biden administration and its DOJ to attack and destroy half of America in political persecutions removed from proper application of the law, as much of the video is exculpatory in nature for many of the defendants involved and already tried, and these videos should have been made available before trial in discovery, for all of the defendants to have and to use at trial in defense of the oh-so-serious charges of trespassing and disturbing the peace that they are charged with.

IT'S A PELOSI / FBI SET-UP. They were “set-up” by the **FBI ENTRAPMENT** of Ray Epps and by Pelosi's (otherwise inexplicable) **refusal** to allow the National Guard to deploy after that was requested by Trump! The whole Jan 6 “thing” is a political CRIME and a legal FRAUD being perpetrated through the unconstitutional abuse of the legal system resulting in this unconscionable POLITICAL PERSECUTION of philosophical and political opposition to the

Democrat's liberal progressive agenda and policies being used to try and fundamentally transform America into a SOCIALIST DEMOCRACY (like in the EU), in order to DESTROY AMERICA's existence as the CONSTITUTIONAL REPUBLIC that we are supposed to be, **NOT A DEMOCRACY.**

And it's a Biden financial crisis too isn't it – FTX, SVB, SIG, REP, & in Europe - Credit Suisse

Because it's Biden's anti energy-independence policy that caused the horrendous inflation that started this chain of dominoes; - that caused the fed to raise interest rates to slow the high inflation; which exposed the foolish and naïve bank holdings of the 10, 20, & 30 year zeroes they had loaded up on – thinking they were safe; - whose loss of value in the new high-interest rate reality is what's causing the “run” on deposits at the insolvent banks, causing their bankruptcy, more each day as we speak; - resulting in what is possibly going to become a full blown financial crisis all over America in nearly all of our banks; - all because of Joe's senility and inability to think or reason through the consequences of these radical an un-thought-out, ignoramus, policies on energy, race, gender, oil, immigration, vaccinations, COVID, the Ukraine, Cartels, fentanyl, crime, abortion, policing, bail, and **not** prosecuting crimes; - that neither he, nor anyone else in his administration apparently understood the consequences of, before pursuing implementation at the **expense of everything else.**

Illegitimate Joe Biden has had **NO** medical mental evaluation and competency tests for over 4 years. This incompetent, ignorant fool, and Chinese puppet, is **senile** and as such, is not competent to hold office.

And it was Biden's FBI that ran the disinformation campaigns, wasn't it? By jumping into bed with big-tech (Twitter, Facebook, Google, etc.) in order to hide the truth about COVID origins, Dr. Fauci, the vaccines, their effectiveness, booster shots, the lack of risk to children, natural immunity, the Jan 6th defendants & their alleged “crimes”, inflation – its causation and blame for such, Hunter Biden & his business partners, the laptop from hell, “10% for the big guy”, “held by ‘H’ ”, \$35 million in payments from China to the Biden family crime syndicate members; - over and over again we see the **double standard** at work as Biden's FBI and DOJ have been actively working to PROTECT Hunter Biden from indictment and criminal prosecution by keeping hidden, the evidence on his Laptop, of his crimes, which the FBI has had for over 5 years now! FIVE YEARS – NO indictment, and obviously NO investigation because its impossible to investigate that “Laptop from Hell” for more than a week, and not immediately go to a grand-jury for indictment of him on at least five felony crimes – **IT'S AN OBVIOUS FBI COVER-UP, AGAIN, it is NOT** an investigation.

The conservative members of the Supreme court were allowed to be unlawfully protested and threatened in order to attempt to impact their decisions; and were left exposed to real risks, - even while they were being “protected”; – but liberal, illegal protesters still to this day go un-arrested & un-prosecuted.

Under the Biden administration's habit of inexplicably paying attention to ALL the **wrong** things, in a **HUGE** mis-prioritization of the administration's focus and efforts, there was for months, and still is - in some places, NO baby formula available for sale. A **BABY FORMULA SHORTAGE**, - **directly** caused by the Biden administration's incompetence and *oblivion*

because they closed the primary production factory prematurely, **without real factual cause to do so** (it turns out). So formula has been very hard for young parents to find.

Generic over-the-counter drug shortages (imported from China) exist in many parts of the country.

Biden keeps talking about “taking our guns” while LYING to America by saying he’s always been a 2nd Amendment guy – the **LIAR**. He doesn’t even understand (or intentionally ignores the fact) that all “Assault weapons” are **already all illegal** to possess except by special license, and **NO** “assault weapon” has ever been used in any “mass” shooting in America. (“assault weapon” is defined here as “a fully automatic” gun, *i.e.*: a gun where one trigger-pull results in the firing of multiple rounds, as with a true “machine-gun” from the WWII era)

Biden has drained the strategic petroleum reserve for nothing but political advantage, *i.e.*: to minimize and counter-act the damage being done by his own policies, to a level now seen in 40 years, to the extent that it actually endangers our national security by depleting the petroleum reserve to levels so low they may not be sufficient to support the America military in as sustained emergency or deployment.

Biden tried to force the vaccines of all Americans by OSHA mandate but did **NOT** compel the illegal alien invaders to be vaccinated before entry.

He fired the front-line health workers and military service members for refusal to take the experimental vaccine, - allowed only on an emergency basis. Even where natural immunity had been acquired, refusing to recognize a hundred years of medical science and knowledge.

He still refuses to allow Novak Djokovic to travel to America to play in the US Tennis Open but won’t even try to vaccinate or quarantine a single illegal alien sneaking in over the Southern border.

His entire administration has been dis-compassionate & unresponsive to victims of disasters in red states – the train wreck – East Palestine for instance, and the Afghan allies & females,

Biden says he wants Republicans & Democrats to work together on bi-partisan legislation, but when they did, - he vetoed the bipartisan legislation they enact and sent him, like the bi-partisan legislation, he just vetoed, banning “ESG” as the basis for investment managers to use to make investment decisions of the funds they are entrusted with managing – he vetoed it, & now, again he will veto the DC policing reform law just passed too.

This of course PROVES that Biden does not want to represent America he wants to RULE it, and he does **NOT** care what the two political parties might want and are able to agree to (little of that as there may be); - if it is **not** in accord with his radical LIBERAL policies and agenda, he will veto it in order to impose his Will and RULE, by “Executive Order” if necessary, in place of the LAW written by Congress, just like the petty dictator this traitorous Orwellian Pig and practicing NAZI, really is. Donald Trump and the MAGA supporters are the new “JEWS”, that this practicing NAZI wants to “get” and ultimately “kill”. It’s the **common result** in all socialist take-overs. Review your history if you don’t know that: Russia, Germany, China, North Korea,

Cuba, Zimbabwe, Venezuela, etc., etc. etc., over and over and over again, we see the same result every time.)

And finally, Illegitimate Joe and “the Giggler” - aka Kamala Harris, and the Biden administration in general, keep collectively talking now, about trying to codify the *Roe v Wade* decision; - 50 years later, under a new federal law under new legislation enacted by Congress. A now Republican Congress; - and we all know that ain’t gonna happen. Are they **INSANE** or **JUST STUPID**. I believe that they are ALL **JUST TOO STUPID** to understand that the Dobbs decision, overturning *Roe*, **removes** the federal government from the issue **completely**; - the federal courts and the U.S. Congress are out of it from now on. At least until the Constitution is amended to actually provide some federal authority over the matter.

The Dobbs decision means that Congress can’t write law to codify the *Roe* decision because there is **no** constitutional basis for the law to be enacted by Congress. This is certainly true if there is no constitutional basis for the federal courts to be involved, or even issue an *opinion*, which is exactly what the Dobbs decision held. It’s an issue now exclusively within the domain of the 50 States, **not** the federal government, and the U.S. Congress therefore cannot codify *Roe* into law through legislation. Any such law enacted by Congress, under the current Constitution, would be quickly stricken down by this Supreme Court, under this Dobbs decision and its now controlling precedent.

Biden has divided America in two, 50 - 50, he has not united us at all.
